Financial Statements and Supplemental Schedules

December 31, 2017

(With Report of Independent Registered Public Accounting Firm Thereon)

KPMG LLP 345 Park Avenue New York, NY 10154-0102

Report of Independent Registered Public Accounting Firm

To the Board of Managers
Mutual of America Securities LLC:

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Mutual of America Securities LLC (the "Company") (a wholly owned subsidiary of Mutual of America Holding Company LLC, which is a wholly owned subsidiary of Mutual of America Life Insurance Company) as of December 31, 2017, the related statements of operations and comprehensive income, changes in member's equity, and cash flows for the year then ended, and the related notes (collectively, the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended, in conformity with U.S. generally accepted accounting principles.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Accompanying Supplemental Information

The supplemental information contained in Schedules I, II, and III has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R § 240.17a-5 (and 17 C.F.R. § 1.10). In our opinion, the supplemental information contained in Schedules I, II, and III is fairly stated, in all material respects, in relation to the financial statements as a whole.

KPMG LLP

We have served as the Company's auditor since 2002.

New York, New York February 26, 2018

CASH, end of year	\$ 90,437

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017

1. ORGANIZATION

Mutual of America Securities LLC (the "Company") was established on June 29, 1990, pursuant to Delaware General Corporation Law. The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC"). The Company is a wholly owned subsidiary of Mutual of America Life Insurance Company ("Mutual of America").

The Company is chartered as an introducing broker-dealer on behalf of affiliated companies with respect to transactions in listed and over-the-counter equity securities. The Company will not operate as an introducing broker-dealer until and unless its Board of Managers adopts controls and procedures governing its operations as an introducing broker dealer. The Company acts as the sole distributor for the Mutual of America Institutional Funds, Inc. series of mutual funds.

The Company's customers are limited to Mutual of America, its affiliates and its sponsored funds.

2. SIGNIFICANT ACCOUNTING POLICIES

<u>Investments</u>

The Company's portfolio consists of an investment in a bond mutual fund, which is carried at fair value. The fund is sponsored by Mutual of America Institutional Funds, a related entity. Security transactions for the Company's portfolio are recorded on a trade date basis. Dividend income is recorded when declared. Changes in fair value are included in other comprehensive income/loss. Prior to 2017, the Company's portfolio consisted of an investment in the Mutual of America Institutional Money Market fund. During 2017, the Company liquidated its investment in the money market fund and invested in the Institutional Bond fund.

Fair Value

The Company values its investment at fair value. Fair value is an estimate of what the Company would receive upon selling its investment in orderly arms – length transactions. Investments are categorized based on a three-level valuation hierarchy for measurement and disclosure of fair value. The valuation hierarchy is based upon the transparency of inputs used to measure fair value. The three levels are as follows:

Level 1 - quoted prices in active markets for identical securities.

Level 2 – other significant observable inputs (including yield, quality, coupon rate, maturity, issue type, quoted prices for similar securities, etc.).

Level 3 – significant unobservable inputs (including the Company's own assumptions in determining the fair value of its investment).

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017

At December 31, 2017 management determined that the fair value input for the Company's investment in the Mutual of America Institutional Bond Market Fund is considered Level 1. There were no transfers between levels during 2017.

Fee Revenue

The Company has entered into a fee revenue agreement with Mutual of America Capital Management LLC ("Capital Management"), an affiliated entity, under which the Company receives revenues, which cannot exceed the costs it incurs, in conjunction with its operations as broker dealer for the Mutual of America Institutional Funds. Revenue is recognized as costs are incurred throughout the year.

Estimates by Management

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles ("GAAP") requires management to make estimates and assumptions that affect the recorded amounts as of and for the year ended December 31, 2017. Actual results could differ from those estimates.

New Accounting Pronouncement

In May of 2014, the Financial Accounting Standards Board ("FASB") issued ASU No. 2014-09 Revenue from Contracts with Customers. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This new guidance will be effective for the Company's 2018 fiscal year.

The Company is reviewing the impact of ASU 2014-09, although we believe that this pronouncement will not have a material impact on the financial statements and the related disclosures.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017

3. NET CAPITAL REQUIREMENTS

As a registered broker-dealer, the Company is subject to the Securitles and Exchange Commission's Uniform Net Capital Rule 15c3-1 ["Net Capital Requirements for Brokers or Dealers"] ("the "Rule"), which requires the maintenance of minimum net capital of the greater of \$25,000 or 6 2/3% of aggregate indebtedness and requires that the ratio of aggregate indebtedness to net capital, as defined, shall not exceed 15 to 1. At December 31, 2017, the Company had net capital of \$1,396,323, which was \$1,371,323 in excess of its required net capital. The Company had aggregate indebtedness of \$63,764 at December 31, 2017; the ratio of aggregate indebtedness to net capital was .0457 to 1.

4. RULE 15c3-3 EXEMPTION

Rule 15c3-3 of the Securities Exchange Act of 1934 defines customer protection and mandates reserves, which the broker-dealer must maintain, as well as the proper custody of customers' securities.

The Company is exempt from this Rule under section (k)(1) because it is an introducing broker-dealer that does not hold funds or safe-keep customer securities.

5. INCOME TAXES

The Company is a Delaware Limited Liability Company ("LLC") and as such is treated as a disregarded entity of Mutual of America for federal income tax purposes. Its financial results are included in the federal and state income tax returns of Mutual of America, as applicable.

The Company and its ultimate owner, Mutual of America, recognize income taxes in their respective financial statements based on a separate company allocation method. The Company has a tax sharing agreement with Mutual of America whereby it is responsible for payment of taxes to Mutual of America based on a separate company allocation method. It therefore allocates tax results to these financial statements based on the asset and liability method as prescribed by Accounting Standards Codification ("ASC") 740, *Income Taxes* ("ASC 740") as if it were a division of Mutual of America.

On December 22, 2017 the Tax Cuts and Jobs Act (the "Act") was signed into law. Effective for taxable years beginning after December 31, 2017, the Federal corporate tax rate is reduced to 21%. Deferred tax assets (liabilities) are remeasured to reflect the effects of enacted changes in tax laws or rates at the December 22, 2017 date of enactment, even though the changes are not effective until future periods. The impact of the remeasurement is reflected entirely in the interim period that includes the December 22, 2017 enactment date and allocated directly to income tax expense (benefit) from continuing operations. Total income tax expense for 2017 included a net charge of \$3,094 to reflect the change in tax laws and tax rates included in the Act at the date of enactment, resulting primarily from revaluing the Company's deferred tax assets.

The components of income tax expense for the year 2017 are as follows:

		2017
Federal income tax expense, current State and local income tax expense, cu	\$ urrent	18,984 27
Total income tax expense	\$	19,011

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2017

A reconciliation between federal income taxes and the total tax expense as shown on the statement of operations is as follows:

	-	2017
Federal income tax at statutory rate	s	15,857
Reduction in Federal tax rate		3,094
Other, net		60
Total income tax expense, as reported	\$	19,011

The Company's deferred tax asset at December 31, 2017 consists of:

		2017
Deferred Tax Asset:		
Unrealized Loss	_\$_	4,658
Net Deferred Tax Asset	\$	4,658

Management believes it is more likely than not that the deferred tax asset will be realized.

The federal income tax return of the Parent for the short period of January 1, 2014 through March 31, 2014 remains subject to audit by the IRS. The Company's financial results for the short period of April 1, 2014 through December 31, 2014, and calendar years 2015, 2016 and 2017 which are included in Mutual of America's federal income tax return, also remain subject to audit by the IRS.

GAAP requires the evaluation of tax positions taken in the course of preparing the federal income tax return to determine whether it is "more-likely-than-not" that tax positions taken in the tax return will be ultimately sustained, and, if not, a tax liability and expense is recorded.

6. RELATED PARTY TRANSACTIONS

Mutual of America has incurred expenses in connection with the use of its personnel, property and facilities on behalf of the Company. Mutual of America allocates these expenses at cost to the Company each month, and the Company reimburses these expenses to Mutual of America at cost periodically. During 2017, such costs were \$761 thousand and include \$482 thousand of salary and benefit costs.

Balances between the Company and its affiliates are settled on a monthly basis, which results in an open due from and/or due to affiliates at December 31. During 2017 there were no capital transactions.

7. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 26, 2018, the date the financial statements were issued, and no events have occurred subsequent to the balance sheet date and before the date of evaluation that would require disclosure.

Instructions:

Detail Listing must include the total of items maturing during the six month period following the report date, regardless of whether or not the capital contribution is expected to be renewed. The schedule must also include proposed capital withdrawals scheduled within the six month period following the report date including the proposed redemption of stock and anticipated accruals which would cause a reduction of Net Capital. These anticipated accruals would include amounts of bonuses, partners' drawling accounts, taxes, and interest on capital, voluntary contributions to pension or profit sharing plans, etc., which have not been deducted in the computation of Net Capital, but which you anticipate will be paid within the next six months.
